I understand that Citizens Health disclaims any liability for any costs, claims, injuries, actions, or damage suffered by an individual, no matter what their relationship, as a result of participation in this health event activity. Participation in this health event is strictly voluntary, and any injuries suffered in conjunction with such participation shall not be subject to reimbursement under any applicable law.

I agree to release Citizens Health, its members, and any other organization or person associated with these tests from any liability whatsoever in connection with testing procedures or any other aspect of this screening.

By participating in lab draws at the Health Expo, I acknowledge that lab results will be accessible through MyChart, our secure patient portal. If you prefer to obtain your results directly, please request them from the Medical Records office using a Release of Information form.

I understand that these tests are for screening purposes only, and the results are preliminary and should in no way be considered conclusive. Moreover, by providing these results, Citizens Health and its related parties are not giving medical advice. For a better understanding of the results of these tests, for more conclusive measurements, and for any additional medical advice and treatment, I understand that it is my responsibility to contact my own primary care provider.
